1. Have you ever thought of the fact that you are in a close circle of confidants in Christ? What difference does it make?
2. How have you often spoken of “blessing”? Is it mostly applied to material goods in your life? Why is it dangerous to only use the term this way?
3. Do you ever tremble at the holiness of God? Why is this something even the believer ought to do? See Isaiah 6.
4. Consider how v.34 is quoted in James 4:6 and 1 Peter 5:5 – what further application can you draw from this NT use of the OT?
