DEVILISH DILIGENCE
PROVERBS 6:12-19

MAIN THOUGHT & OUTLINE

Put away devilish diligence and instead diligently do what the LORD loves.

- I. Put Away the Devilishly Diligent Man (v.12-15)
- II. Put Away the Devilishly Diligent Life (v.16-19)

QUESTIONS FOR REFLECTION & DISCUSSION

1. Why must we constantly examine the direction of our diligence? How is this connected to a life of repentance?
2. How should we “put away” people with whom we have to have some connection? e.g. colleagues, family members, etc. Why must we foster humility in doing this?
3. How does walking close with Jesus Christ strengthen us in the fight against sin? And help us avoid worthless & wicked men?
4. What areas of life do you still see have devilish influence? Having looked in the mirror, how are you now planning to address this?
