- 1. Towards whom do you struggle to apply verses 1 & 2? What difference will verses 4-7 make in those relationships going forward?
- 2. How can we spend too little time in verse 3? How can we spend too little time in verses 4-7? Why must meditation on verse 3 be followed by meditation on verses 4-7?
- 3. Do you struggle with assurance? How does the fact that salvation is 100% the work of the Trinity and 0% the work of you directly attack your doubt?
- 4. Covenant children – how does your baptism preach God's grace to you? Why is "grace" the most important message of your baptism?
