QUESTIONS FOR REFLECTION & DISCUSSION

1. As Christians we are called to live by faith not by sight. How does this Psalm call us to live this way?
2. How do God's covenant promises to us and our children give us comfort for the future of the church? Do you remember these promises as you pray for your children?
3. How are you responsible to work hard and diligently, even as you depend upon God to preserve and prosper his church?
4. Covenant children – do you desire to grow up like verse 12? Discuss with your parents what these pictures mean and how to pray for and diligently work towards looking like them.
