QUESTIONS FOR REFLECTION & DISCUSSION

1. Take three verses from this Psalm and expand even further on the covenant mercy of God. For example, take v.10 and reflect on more than just the 10th plague.
2. In what ways in this past week has God shown his covenant faithfulness to you? To your family? To our local church?
3. How can we avoid turning a phrase like “For his mercy endures forever!” into vain repetition?
4. Covenant children – what do you praise God for about his character? What has he done in his relationship with you for which you should praise him?
