PHILIPPIANS 2:9-11

- III.** God Glorified (v.11b)

QUESTIONS FOR REFLECTION & DISCUSSION

1. Verses 5-11 clearly declare that Christ is God. How would you respond to someone who argued, “But these verses teach that Jesus became divine, not that he was always God”?
2. In what ways does Jesus serve as your prophet, priest, and king from his exalted place in glory?
3. How does faithful daily service now prepare us for a time when we will be under greater pressure to deny our Lord?
4. Boys & girls – you’ve been baptized and Jesus calls you publicly to confess his name too! What comfort does it give you to know that Jesus has been given power over all other powers?
