1. How have others led you into sin before? How might you be leading a weaker brother or sister to sin?
2. Why might you be uncomfortable to rebuke someone? Is it something that Jesus says is optional for the Christian?
3. Are you living a life of forgiveness? Consider Matt 6:14-15.
4. Covenant children – do you love your brothers or sisters enough to warn them when they sin? Do you forgive them when they sin against you?
