- III.** The LORD's Present Keeping (v.5-6)
- IV.** The LORD's Perpetual Keeping (v.7-8)

**QUESTIONS FOR REFLECTION & DISCUSSION**

- 1. What should you do when appearances seem to contradict God's keeping? Why then do you think God graciously reiterates his care for his people throughout the Scriptures?
- 2. When has this Psalm been especially precious to you?
- 3. Read the Aaronic benediction in Numbers 6:24-26 and then read through the Psalms of Ascent. Notice the same themes & language in both places (like "keep" in Psalm 121)
- 4. Boys & girls – how comforting is it to know that God never, ever needs to sleep? How can this help your bedtime prayers and then help you sleep soundly all night long?
