TO GUARD THE GOSPEL
TITUS 1:10-16

MAIN THOUGHT & OUTLINE

- I.** Stopping False Teachers (v.10-11)
- II.** Strengthening God's People (v.12-14)
- III.** Speaking the Pure Gospel (v.15-16)

QUESTIONS FOR REFLECTION & DISCUSSION

1. In light of the context, how does this passage really emphasize the need for faithful elders?
2. How would you respond to someone who might accuse Paul of ethnic slurs? Is that what Paul is doing?
3. In what ways do you bring unbiblical ideas into the gospel? For example, think about times you think God will or won't hear you because of how you think you've performed.
4. Children: can you be saved from your sins by trying really hard? Or by obeying? If not, what does someone need to do to be saved?
