JULY 12, 2026

THE FOUNDATION FOR OUR FUTURE
1 THESSALONIANS 2:13

MAIN THOUGHT & OUTLINE

If we will continue as a church glorifying God, we must continue to embrace the Bible as the very Word of God Himself.

- I. Thankfulness for the Church that Embraces God's Word
- II. Continuing as the Church that Embraces God's Word

QUESTIONS FOR REFLECTION & DISCUSSION

- 1. Have you examined your life and family recently to see if you are still tethered to God's Word or have drifted? How would you know?
- 2. How are you tempted to drift away from the Word? How would a church face such temptation?
- 3. What lessons for your prayer life can you draw from this text? Jot down a couple points each of adoration, confession, thankfulness, and supplication.
- 4. Covenant children – God has blessed you with His Word from your earliest days. Do you welcome it when your parents or pastor teach you the Bible? Have you embraced Jesus as He is offered by God?
