QUESTIONS FOR REFLECTION & DISCUSSION

1. What other Bible texts speak to the certainty of Jesus' return? How would you respond to a neighbour who mocks Jesus' return because it hasn't happened yet?
2. Why would Jesus use such strongly emphatic language to describe His return? Why is He concerned that you believe it?
3. What are the intoxications that need to be cut out of your life? What are the legitimate cares that need to be given better priority?
4. Covenant children – do you look for Jesus to come back every day? How can you do that?
