YOUR WILL BE DONE
LUKE 22:39-46

MAIN THOUGHT & OUTLINE

Knowing great need in temptation, Christ pleads and succeeds in prayer where His people fail.

I. Christ Knows the Need for Prayer (v.39-40)
II. Christ Pleads in Prayer (v.41-44)
III. Christ Succeeds in Prayer (v.45-46)

QUESTIONS FOR REFLECTION & DISCUSSION

1. Why is this passage so important to help us understand the true humanity of Jesus Christ?

2. Do you find yourself like the disciples: sleeping rather than praying? Why is that? How should Christ's knowledge of need teach us of our need?

3. How would you respond with compassion and truth to a friend or neighbour who spoke of having gone to "hell and back"?

4. Covenant children – do you bring your needs and troubles to God in prayer? It is a privilege of His covenant people! He will receive you through Jesus!
