1. Why does it matter that you think specifically about your sin in both temptation and repentance? Why isn't a vague thought of sin enough?

2. What is a specific sin you struggle with in your life? What are the usual steps to going into that sin? How does it help you seek Christ in temptation to know the pattern?

3. Why is the look of the Lord the key to repentance?

4. Boys & girls, why should you be thankful when you're caught in sin? Is God kind to catch us?
